Struggling to choose the right homeschool curriculum for your kids that not only educates but also inspires them with hands-on learning? *Backyard and Beyond* offers a field trip-centered curriculum that immerses your students in God's creation, exploring history, geography, science, and more. Watch your students thrive as they learn through real-world exploration and discovery with *Backyard and Beyond*.

The *Backyard and Beyond Coloring Book* is perfect for younger students who want to be part of the school day but aren't ready for a curriculum. It includes two pictures from each field trip location that go along with the lessons for the older students. If you want your littles to be a part of your homeschool day without having to add extra things to your plate, this is the book for you!
