The Immeasurable Treasure

Following clues, my friends and I ran through downtown on an epic treasure hunt my mom had created for my 17th birthday. We had to search in trees, find toy army men, look for hidden people, and overcome challenges in order to get our next clue. It was an absolute blast!

Have you ever searched for a treasure?

In this study we are going to search for an immeasurable treasure. Something that is immeasurable is impossible to count or measure. That's how the Bible describes God. It's impossible to measure how amazing He is!

The exciting thing about God is that He has given us a "treasure map" so we can know Him and His immeasurable riches. Let's see what the Bible, our "treasure map," says.

Read **KEY VERSES** **Colossians 2:2-3**.
Where are the treasures of wisdom and knowledge hidden?

💎 **Christ makes it possible**
for us to gain the immeasurable treasure
of knowing who God is.

The treasures are in CHRIST! We learn about who God is through Christ! When Jesus came down to earth and took the penalty for our sins on the cross, He made a way for us to have a relationship with God. If you have trusted Jesus as your Savior and asked Him to wash all of your sins away, then you can know God more and search for the treasure of His character.

Read **1 Corinthians 2:12-13**. Who else helps us to know the things of God?

The Holy Spirit, who is God and dwells in every believer, gives us the spiritual understanding that we need to learn about God. God has given us His Spirit to search the Scriptures for the wisdom and knowledge of who He is.

What has God given us for this treasure hunt? Trace the words of what you will need in this study.

The Immeasurable Treasure

Following unique clues, my friends and I ran from one end of our downtown to the other on an epic treasure hunt my mom had created for my 17th birthday. We had to search in trees, look for toy army men, and find hidden people with detour challenges to get our next clue. It was an absolute blast!

Have you ever searched for a treasure? What was it, and how did you search?

Even if you haven't been on a treasure hunt, you've probably seen one in movies. I can picture it now: a brave explorer searches for a secret cave where riches have been hidden.

In this study, we are going to embark on our own treasure hunt! You won't be running around downtown or in hidden caves, but you will be searching for clues. And the treasure? It's absolutely immeasurable!

How would you describe something that is immeasurable?

My mind immediately goes to grains of sand—they certainly seem immeasurable. Let's see what the Bible says about an immeasurable treasure.

Read each verse and write what is immeasurable. (*Hint: use the ESV translation if you are having trouble finding these.*)

Ephesians 1:9-20

Ephesians 2:7

The Bible uses a lot of words to describe God. You could spend your whole life learning about God and still have more to learn—that’s how great our God is. He’s immeasurable!

Before we get started, let’s see what you know about God. What would you say if someone asked you, “Who is God?” How would you describe Him?

God has given us the tools we will need, and He has even given us a “treasure map”—the Bible—so we can know Him and His immeasurable riches.

Read  **Colossians 2:2-3.**

**Christ makes it possible

Christ made the way for us to know God!

Christ’s work of salvation is a tool that we need to uncover the treasure of God’s character, but He’s also given us someone to go with us on this treasure hunt.

Read **1 Corinthians 2:10-13.** Who else helps us to know the things of God?

The Holy Spirit, who is God and dwells in every believer, gives us the spiritual understanding that we need to learn about God.

Pray and thank God that we can learn about who He is through His Word because of Christ and the Holy Spirit. Ask Him to show you the immeasurable treasure of His character.

The Immeasurable Treasure

Following obscure and poetic clues, my friends and I ran from one end of our downtown to the other, attempting to be the first team to make it to the end of an epic treasure hunt my mom had created for my 17th birthday. We had to search for special trees, army men tucked into bushes, and hidden people with detour challenges to get our next clue. It was an absolute blast!

Have you ever searched for a treasure? What was it, and how did you search?

Even if you haven't been on a treasure hunt yourself, you've probably seen one in movies. I can picture it now: some brave crusader searches for a secret cave or hiding place where riches have been hidden.

In this study, we are going to embark on our own treasure hunt! You won't be running around downtown or in hidden caves, but you will be searching for clues. And the treasure? It's absolutely immeasurable!

How would you describe something that is immeasurable? Can you think of anything that is an immeasurable treasure?

My mind immediately goes to grains of sand or the universe, but sand is hardly a treasure. You might also think of someone with lots of money, but that can definitely be measured. Let's see what the Bible says about an immeasurable treasure.

Read each verse and note what is immeasurable. (Hint: use the ESV translation if you are having trouble finding these.)

Ephesians 1:19-20 _____

Ephesians 2:7 _____

The Bible uses a lot of words to describe God. You could spend your whole life learning about God and still have more to learn—that's how great our God is. He's immeasurable! His riches and grace poured out to us are something we could never count or completely know every detail of!

Before we get started, let's see what you already know about God. What would you say if someone asked you, "Who is God?"

Can you name some characteristics of God?

Before starting any great treasure hunt, you have to know where you're digging! You're going to need a map and maybe even some tools.

Where do you think we will find the immeasurable treasure of God, and what tools might we use?

The exciting thing about God is that He has given us a “treasure map” so we can know Him and take part in the immeasurable riches of His grace. It's called the Bible. Let's use that tool now to see what kind of treasure we might find.

Read ^{KEY VERSES} *Colossians 2:2-3*. Where are the treasures of wisdom and knowledge hidden?

The treasures are hidden in CHRIST! We learn about who God is through Christ! When Jesus came down in human form and took the penalty for our sins on the cross, He made a way for us to have a relationship with God. If you have trusted Jesus as your Savior and asked Him to wash all of your sins away, then you can begin to know God more and search for the treasure of His character. Read *1 Corinthians 2:10-13*. Who else helps us to know the things of God?

The Holy Spirit, who is God and dwells in the heart of every believer, gives us the spiritual understanding that we need to learn about God. Someone who does not have the Holy Spirit inside of them cannot understand who God is because our natural minds cannot possibly imagine the depth and riches of God's character. So God has given us His Spirit, enabling us to search the Scriptures for the wisdom and knowledge of who He is.

As you pray today, thank God that we can learn about who He is through His Word because of Christ and the Holy Spirit. Ask Him to show you the immeasurable treasure of who He is!
